## **AFE New England Region 8 CPMM Review Class – Changed Location**

Class dates: **November 7-8-9, 2018** (Wednesday, Thursday and Friday)

We are changing the venue for the upcoming November CPMM Review Class, due to a change in management for the Waltham, MA facility we were planning to use.

The new location is:

**DoubleTree by Hilton**

**2 Somerset Parkway, Nashua, NH**

(603) 886-1200      [Directions](#)

**Hotel Rooms:** We have arranged a discounted block of rooms at DoubleTree set aside until Tuesday, October 23<sup>rd</sup> at a rate of \$139.00 per night, before taxes. This venue is conveniently right off Exit 8 on Route 3 in Nashua, NH. In addition to multiple lower priced hotel options compared to the Waltham area, there are over a dozen restaurant options within a five minute walk, all moderately priced.

### **For Those Flying In:**

- For those arriving at Boston Logan Airport, bus service is available from Logan airport to Nashua via Boston Express. Round trip fare from Logan to Nashua is presently \$32. Find a schedule and buy tickets at [www.bostonexpressbus.com](http://www.bostonexpressbus.com) or call (800) 639-8080. Their Nashua bus terminal is about a 10 minute walk from all hotels we list.
- For those arriving at the Manchester, New Hampshire airport, a taxi will cost around \$40.

### **Additional Hotels:**

There are four other hotels within a five minute walk of our class venue:

Extended Stay of Nashua

2000 Southwood Drive, Nashua, NH – Telephone 603-577-9900

Courtyard by Marriott

2200 Southwood Drive, Nashua, NH – Telephone 603-880-9100

Hampton Inn

407 Amherst Street, Nashua, NH – Telephone 603-883-5333

Residence Inn by Marriott

25 Trafalgar Square, Nashua, NH – Telephone 603-882-8300

We apologize for this late change of venue, but it was out of our control. My hope is that this new location will provide our attendees with lower cost options for hotel rooms and meals -- and I can guarantee, a lot less traffic headaches.
